From the author of the #1 New York Times bestseller Just Ask! comes a fun and meaningful story about making the world--and your community--better, one action at a time, that asks the question: Who will you help today? Every night when Sonia goes to bed, Mami asks her the same question: How did you help today? And since Sonia wants to help her community, just like her Mami does, she always makes sure she has a good answer to Mami's question. In a story inspired by her own family's desire to help others, Supreme Court Justice Sonia Sotomayor takes young readers on a journey through a neighborhood where kids and adults, activists and bus drivers, friends and strangers all help one another to build a better world for themselves and their community. With art by award-winning illustrator Angela Dominguez, this book shows how we can all help make the world a better place each and every day. Praise for Just Help! Generosity proves contagious in this personal portrait of community service by Supreme Court Justice Sotomayor. --Publishers Weekly

Ihablo Spanish ¿Cómo Se Dice? 2

El tema central de la novela es la imposibilidad de olvidar o borrar el pasado. La protagonista, en
lucha consigo misma para olvidar un grave suceso ocurrido en su vida, ante su incapacidad para lograrlo, decide vengarse de todos aquellos que considera los causantes de su drama. La novela se convierte así en un viaje iniciático, un viaje de descubrimientos que irán cambiando su percepción de los hechos. Estos descubrimientos transformarán poco a poco su sed de venganza y una a una caerán las máscaras de todos los integrantes de la historia. Lo que no se dice se vuelve lo único importante.

"Hasta que un día, sin saber cómo, sientes un impulso desatado, una cólera que te sube por los vasos sanguíneos hinchándote las venas de pura rabia. El líquido que fluye envenenado no entiende de razones. Se abre paso sin pedir permiso. Se abalanza sin control con la furia de una manada de leones hambrientos. Imparable, implacable. Va recorriendo, como un ejército bien adiestrado, los rincones más insospechados en los que un flujo normal no repararía. Y cuando por fin ha llegado con toda su energía al cauce de salida, entonces sientes que serías capaz de cometer el acto más brutal y salvaje, serías capaz de agredir hasta límites insospechados a una de las personas que hasta entonces más querías."

NEW YORK TIMES BESTSELLER • From the author of The House of the Spirits, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career." — The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, A Long Petal of the Sea shows Isabel Allende at the height of her powers. Praise for A Long Petal of the Sea "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now.” — J. Courtney Sullivan, author of Saints for All Occasions "This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time.” — Colum McCann, National Book Award–winning author of Let the Great World Spin

Just Help!

There are many ways to learn Spanish, and one sure way to lose it. If you don’t use it! Don’t do it! Instead, hold on to your hard-earned Spanish and learn more by taking the ¿Cómo se dice? Quiz and studying Spanish, 1 lesson a day. The lessons of ¿Cómo se dice?, Spanish for How does one say?, are designed to put you in daily contact with Spanish. Each volume of ¿Cómo se dice? offers a select group of 122 new lessons, enough to keep you in Spanish for 4 months, 1 lesson a day, with a quiz. Each lesson begins by asking how to say an English word, expression or phrase in Spanish. Like a flash quiz, this simple format gives you the opportunity to solve the lesson in Spanish before you proceed to read the lesson. It does not matter that you answer correctly, but rather that you engage in this exercise. Thinking about how to say something in Spanish is much more effective as a learning tool than simply being told how to say something. The skill level of ¿Cómo se dice? ranges from entry level to intermediate, to a bit of advanced. Following the quiz, each lesson is broken into its component parts, which are defined and demonstrated by examples. Lesson topics range from simple vocabulary, to a rule of grammar, to the finer points of Spanish. This variety is meant to engage you and give you the knowledge and tools you need to take your Spanish to the next level. Remember, Spanish should never be harder to learn than it has to be. Accordingly, ¿Cómo se dice? will always strive to show you how English and Spanish are the same, as well as different, so that you can leverage your own knowledge of English into a knowledge of Spanish. For example, the English noun transportation goes Spanish as transportación, reservation means reservación, education becomes educación, and so on. Knowing just this one link between English and Spanish is your key to over a thousand words in Spanish, without memorization? memorización! While there are never enough hours in the day, you can always make a few minutes just for yourself. Own those minutes by taking the ¿Cómo se dice? Quiz(TM) and studying hablo(TM) Spanish, 1 lesson a day(TM)

Y aqui Delgado Wants to Kick Your Ass

¿Como se dice? Student Text

Winner of the 2014 Pura Belpré Author Award In Meg Medina’s compelling new novel, a Latina teen is targeted by a bully at her new school — and must discover resources she never knew she had. One morning before school, some girl tells Piddy Sánchez that Y aquí Delgado hates her and wants to kick her ass. Piddy doesn’t even know who Y aquí is, never mind what she’s done to piss her off. Word is that Y aquí thinks Piddy is stuck-up, shakes her stuff when she walks, and isn’t Latin enough with her white skin, good grades, and no accent. And Y aquí isn’t kidding around, so Piddy better watch her back. At first Piddy is more concerned with trying to find out more about the father she’s never met and how to balance honors courses with her weekend job at the neighborhood hair salon. But as the harassment escalates, avoiding Y aquí and her gang starts to take over Piddy’s life. Is there any way for Piddy to survive without closing herself off or running away? In an all-too-realistic novel, Meg Medina portrays a sympathetic heroine who is forced to decide who she really is.

Lo que no se dice

The morning of Ava Tree's eighth birthday begins the same as always . . . only different. Today, Ava makes wishes and they come true. It's A for Amazing! First, she wishes that her pet rabbit, Tibbar, will use the toilet instead of his messy, annoying litter box . . . and he does. Then she wishes that her best friend's very proper mother will not ruin her very improper backwards birthday party by making it forward, upside up right, down side down, and right side out . . . and she doesn't. Can Ava wish for anything she wants on her birthday--and every day after that--and have it come true? What if her biggest wish is to undo the saddest thing in her life so far (and possibly forever)? Can that wish come true, too? It couldn't hurt to try.
